

Fantom Factory eLearning Pricing Model

We have aligned our distribution model with SkyFoundry, to offer fantastic benefits to SkySpark resellers.

Course Name	List Price	VAD Price	VAR Price
SKYSPARK ANALYST	\$395	\$260	\$340
AXON CORE	\$695	\$455	\$595

Our digital course access codes have a long shelf life. Just ask us if you need to query the status of any unsold codes.

If you need any customised branding or reselling materials, talk to us at any time:

admin@fantomfactory.com

“Give your clients immediate training relief, as fast as you can send an email!”

Here to help you with SkySpark, Axon and Fantom.
